

# The CRESTS Program is hiring a Graduate Research Assistant for the 2022-2023 academic year!

Are you a doctoral student in a mental health or education discipline (e.g., counseling, social work, psychology, education) seeking additional professional experience in culture-centered, trauma-informed care? Interested in emancipatory research methods?

## The CRESTS Program may be right for you!

CRESTS Graduate Assistants perform a variety of roles including:

- Conducting searches, developing annotated bibliographies, mini-literature reviews
- Presenting at conferences, publishing in academic journals
- Assisting in the development of CRESTS promotional materials (e.g., podcasts, practitioner briefs, etc.)
- Aiding in the management of the CRESTS website
- Coordinating webinars and managing chats/Q&As during presentations
- Composing and disseminating the CRESTS newsletter

# Interested in applying?
